helping save lives

Meet the 2019 AHA Feedback Requirement with Laerdal Resuscitation Training Solutions

By January 31, 2019, the American Heart Association will require the use of an instrumented directive feedback device or manikin in all AHA courses that teach the skills of adult CPR. Laerdal's portfolio of CPR training products includes feedback solutions to help you meet the requirement and deliver quality CPR training for your learners.

Resusci Anne[®] QCPR and SimPad[®] PLUS with SkillReporter[™]

Little Anne[®] QCPR with SkillGuide[™]

	Feedback Device	SimPad [®] PLUS with SkillReporter	SkillGuide [™]	SkillReporter (PC)	CPRmeter 2	QCPR Instructor/ Learner app	SimPad [®] SkillReporter (Discontinued)	CPRmeter (Discontinued)
Manikin	Resusci Anne [®] QCPR (2018 Updated)	✓	✓	✓	✓	✓		✓
	Resusci Anne [®] QCPR (2013-2018 - Discontinued)	✓	✓	✓	✓		✓	✓
